2018 National Specialty Report

We had 14 club members attend the GRCA National in St Louis. Jolene Carey retired after 30 years of service and Karen de Cordova retired. Kristy Theimer, Karen de Cordova and Sean Ray had dogs in conformation. Rick Resetariz, Richard Cathcart, and Angela Whinnery had dogs in obedience. Karen de Cordova designed the Christmas ornament for the GRCA was selling. It was really nice to see the footprint our club left on the national activities.

Lucy Wade Memorial Trophy

This Trophy has made its way back to the Central Oklahoma Golden Retriever Club from 2018 Nationals in St Louis. The Lucy Wade Trophy was established in 1950 and is awarded to the GRCA member-owner whose Golden Retriever scores highest in Novice A class at the National Specialty handled by the owner or member of his immediate family.

Our very own Angela Whinnery and Alta (Rusty Creek's Red vs Blue) brought this trophy home for a year.

Congratulations!!

In Memoriam

Marty Shirey passed away December 11, 2018 at the age of 68. He leaves behind his wife Lydia, daughter, Madeline and Golden retriever Chance- Happy Hour One for the Road. Marty was a member of the COGRC since 2004. When Richard and I joined in 2014 when we meet Marty he was a man of few words. But he was consistent in his attendance and in his spirit of service. He served as Treasurer, Board Member, Show Chair of the WC/WCX, and he would Ring Stewart for the Conformation ring during our show in November and for the support enter during the Summer Classic. However, my fondest memory of Marty is when he was working with Chance to get him to retrieve the bumper out of the water. You see Chance was not so sure about the water well Marty got into to the pond clothes, shoes and all and work patiently with Chance to retrieve the bumper. I remember telling Marty "I have video of you and Chance working in the water" he would just smile back at me.

Marty we Will miss you!!!

Thank you for sharing your time over the years with the COGRC.
